United Telecommunication Services - Application for International Section 214 Authority

United Telecommunication Services (“UTS” or “Applicant”) hereby seeks limited Global facilities-based authority pursuant to Section 63.18(e)(1) of the Commission’s rules and Global resale authority pursuant to Section 63.18(e)(2) of the rules.

Response to Item 9 – Streamlined Processing

Applicant requests streamlined processing pursuant to Section 63.12 of the Commission’s rules. As demonstrated below, on all international routes except the U.S. – Netherlands Antilles (“NA”) route, Applicant qualifies for a presumption of non-dominance under Section 63.10(a)(1) of the Commission’s rules, as it holds no foreign carrier affiliations on such routes. Applicant agrees to dominant carrier status on the U.S. – NA route. The Netherlands Antilles is a WTO member country, and NA’s provision of international services via resale of unaffiliated U.S. facilities-based carrier services will be regulated as nondominant pursuant to Section 63.10(a)(4) of the rules. The application is thus subject to streamlined processing pursuant to Sections 63.12(a) and 63.12(c)(1)(iv)-(v).

Response to Item 10 – Switched Services Over Private Lines

Not applicable.

Response to Items 11-13 – Foreign Carrier Affiliations

Section 63.18(i) Information. UTS hereby certifies that it holds the following foreign carrier affiliations:

UTS itself is a foreign carrier in the Netherlands Antilles. UTS provides local and international long distance services for the island of Curacao.

Section 63.18(j) Information. By this application, UTS certifies that it seeks to provide international telecommunications services to the Netherlands Antilles.

Section 63.18(k) Information. The Netherlands Antilles is a WTO member.

Section 63.18(l)-(m) Information. UTS has no foreign carrier affiliation on routes other than the U.S. – NA route and is thus deemed nondominant pursuant to Section 63.10(a)(1) of the rules. UTS agrees to dominant regulatory status on the U.S. – NA route. For purposes of applicant’s service provided solely via the resale of unaffiliated U.S. facilities-based carriers’ international switched services, Applicant agrees it will file quarterly traffic reports pursuant to

Sections 63.10(c)(3) and 43.61(c) of the rules for the U.S. – NA route; Applicant's provision of such service will therefore be treated as nondominant. *See* 47 C.F.R. § 63.10(a)(4).

Response to Item 15

Section 63.18(e)(4) Information. Not applicable.

Section 63.18(g) Information. Not applicable.
